I attempted to attach an Excel file for what I have received from BIE as part of previous, similar FOIA requests and what is missing from those requests. The FOIA form does not accept Excel files and I have only been able to attach a PDF of the first sheet, which contains an explanation of what is in the workbook as well as highlighting missing data.

Assigned

Please contact me if you have any questions about my request, would like to see the excel file, or wish to discuss my data needs. Much appreciation to you all for your efforts.
