

# United States Department of the Interior

OFFICE OF THE SECRETARY

Washington, DC 20240

May 7, 2025

Dear Tribal Leader:

The Bureau of Indian Affairs (BIA) Indian Energy Service Center will host an Indian Energy Resource Summit (Summit) on June 17 and 18, 2025, in Lakewood, Colorado. This Summit will highlight current Industry partners and what they can offer to Indian Country and Indian Trust Energy resources. We invite Tribal leadership and Tribal Energy programs to attend and take advantage of this unique opportunity to build upon collaboration and coordination between the Department of the Interior (Department), BIA, Federal Partners, Industry, and Stakeholders.

The two-day event will feature current Oil and Gas, Solid Mineral, and Renewable Energy Industry Partners and their presence in Indian Country for the benefit of Tribes and Tribal communities. We are also inviting Tribes to showcase their energy programs and successes.

The BIA expects the Secretary of the Interior Doug Burgum, speakers from the Department's Energy Team, and some of our most successful Tribal and Industry partners. The Summit allows Tribes to network and communicate their projects to the Industry and the Department.

Please use the [Indian Energy Resource Summit Online Registration Link](#) to register for this event. Upon registration, you will receive a confirmation email containing participant information, including an updated agenda, host and local hotels, speaker bios, etc.
